PROFILE

Enthusiastic MCA student at Amity University Patna with a 1st-year GPA of 8.6, backed by a solid BCA foundation from Patna Science College. Proficient in IT, problem-solving, communication, and leadership. I am eager to apply my skills and make meaningful contributions.

PROJECTS

2024-2025

NEO GYM

- Developed a Gym Management Application that offers personalized workout plans and progress tracking. Integrated an Admin Control Panel for managing users, workouts, and content, streamlining gym operations.
- Tools - MERN Stack (MongoDB, Express.js, React.js, Node.js)
- URL - neogym.netlify.app

2019-2021

Online Food Delivery Platform

- Built a web app for users to order food, track deliveries, and make secure payments. Admin dashboard for managing restaurants and orders. Developed with PHP, Bootstrap, and MySQL for a responsive, dynamic user experience.
- Tools - Bootstrap, JQuery, PHP, MySQL

EXPERIENCE

INTERNSHIP

CETPA INFO-TECH, PATNA [JULY-2024]

- Developed a full-stack web application using MongoDB, Express.js, React.js, and Node.js, with optimized RESTful APIs and MongoDB schemas, improving performance and data retrieval speed by up to 15%.
- Built an interactive React.js interface, reducing user task completion time by 20% and enhancing ease of managing workouts, users, and content.
- Collaborated with a team of 4 using Git/GitHub, ensuring timely delivery of 4 major updates with zero critical bugs, and conducted thorough testing and debugging to fix 30+ issues, enhancing app stability.
